I am as a web developer at governor sindh university and developed and maintained responsive website using HTML,CSS, Typescript and completed interships at several companies, and gaining hands on experience and improved myself with different latest technologies such as HTML ,CSS ,Typescript, and most powerful framework Next.js .

Skills

- HTML
- CSS
- Typescript
- Next.js

Skills

Main Interest

I am passionate about developing scalable and efficient applications that solve real-world problems. I love working with technologies like TypeScript, HTML, CSS, and enjoy experimenting with modern frameworks such as Next.js. My goal is to create seamless user experiences through clean code and thoughtful design.
